

**IF THERE IS NO WILL, YOUR INLAWS MAY INHERIT  
YOUR MONEY AND PROPERTY**

**No Will:** The Commonwealth of Pennsylvania could decide who gets your money and property and how much. Good luck!

**No Will:** When you die, your spouse gets \$30,000 plus one half, and the children divide the other half and pay tax at 4.5%. This is an unnecessary tax.

**No Will:** No children? Your spouse's parents could inherit your assets.

**No Will:** 30% of adults with substantial assets do not have a Will.

**HAVE YOUR WILL PREPARED NOW.**
